COMMENTS:

Lealon Johnson is requesting a Reconsideration for the suspended portion of his original fine of \$1500. Mr. Johnson stated he feels like the fine he has been assessed is unfair for submitting the wrong forms. Mr. Johnson said that years ago, he would receive the forms by mail and it would have a due date listed on it. He does not have internet services, so he had to get someone to print the correct forms for him, but once he was able to get the PFD Statement, he complied by submitting the correct disclosure. Mr. Johnson stated that he only makes \$3600 a year, minus holdings. He "wishes" the Ethics Board would consider waiving the \$400 suspended portion as well. The \$1500 was Mr. Johnson's first late filing and fee.

Dear Ethics Board

I feel like the fine that is placed against me is unfair due to the fact that I sent the wrong form at that time. Then I sent the correct form. When I finally got someone to get the forms I needed. I don't have internet services. Year's Back someone the form come in the mail and the date that it was due back. I only make 3,600 a year less with holden. I wish you would consider the late fee

Thank You

Leala Johnson
